All dancers must be in proper dance attire; Tights, black bodysuit, hair pulled back, hip hop pants if desired for hip hop and appropriate shoes for each style. Also bring water, snack and a POSITIVE ATTITUDE! The studio will be open 45 min ahead of the scheduled audition time so the dancers can warm-up and stretch before the audition begins.

### **During Competitive tryouts we will be looking at:**

Flexibility, including splits, tap technique, jazz technique and dancers will be learning a hip hop, contemporary and lyrical routine that will be performed.

In order to audition, dancers must be enrolled for the 2018-2019 dance year in tap, jazz, ballet and any other style they are competing. Students **must maintain** regular attendance in recreational as well as weekly competitive classes. Being on the 2017-2018 Competitive Team does not automatically guarantee a place on the 2018-2019 team.
