

# 2018 FEE SCHEDULE

All fees are due upon registration, with post-dated cheques for the dance year (dated from Sept 1 to May 1). Fees are as follows. **NO REGISTRATION FEES.**

Due to the increase to minimum wage that will become effective January 1, 2018, we regret that we will have to increase our dance fees starting in January. Each dance class will increase by \$1.00. Please see the chart below to know what your new monthly fees will be. If you have paid the year upfront, or via post-dated cheques, the balance for the year will be due by May 31, 2018. If your child is on the competitive team or is a demonstrator, please see the office to get your new monthly fees.
